Abstract:

Translation has been an important tool for the enrichment of different literatures throughout the world. This art or knowledge is not so old, but a way of expression to transform the thoughts, ideas and knowledge of language or literature to another language. Its really a difficult task to translate an academic or scientific material to another language. The translator must be a connoisseur of both languages and to have an expertise over them.

This paper will demonstrates all aspects of the translation and responsibilities of the translator, when he or she translates an academic or scientific material.

شاعری چی ہے؟
